

## Weila Weila

### The Dubliners

And there was an old woman and she lived in the woods  
A weila weila weila  
There was an old woman and she lived in the woods  
Down by the River Saile  
She had a baby three months old  
A weila weila weila  
She had a baby three months old  
Down by the River Saile  
She had a penknife long and sharp  
A weila weila weila  
She had a penknife long and sharp  
Down by the River Saile  
She stuck the penknife in the baby`s heart  
A weila weila weila  
She stuck the penknife in the baby`s heart  
Down by the River Saile  
Three loud knocks came knocking on the door  
A weila weila weila  
Three loud knocks came knocking on the door  
Down by the River Saile  
"Are you the woman who killed the child?"  
A weila weila weila  
"Are you the woman who killed the child?"  
Down by the River Saile  
"Yes I'm the woman  
Yes I'm the woman  
Yes I'm the woman who killed the child"  
A weila weila weila  
"Yes I'm the woman who killed the child"  
Down by the River Saile  
They took her away and they hung her by the neck  
A weila weila weila  
They took her away and they hung her by the neck  
Down by the River Saile  
And that was the end of the woman in the woods  
A weila weila weila  
That was the end of the woman in the woods  
Down by the River Saile
