

Everybody's Under Your Spell

The Duke Spirit

Feel sexy and I never knew just what .
Things all .never seems..., I could turn a matter on you
I could get a matter on you ohh
...I guess the sound is really ...
Miss you much .
I could get a matter on you
I could get a matter on you
Chorus:
Everybody' under your spell
I don't think you're.
But everybody' under your spell
Oh my .
Come and visit or come and stay
The way you spoke and the words you say
I could get a matter on you
I could get a matter on you ohh

Feel sexy ., I never knew just what .
Things all ... I wish I have sent..., I could turn a matter on you
I could get a manner on you ohh.
Chorus:
Everybody' under your spell
I don't think you were.
But everybody's under your spell
Everybody's under your spell
Everybody's under your spell
Everybody's under your spell
Everybody's under your spell
But I don't think you're.
But everybody's under your spell.
