

It's alright
It's not real
It's alright
It's not real

I'd bet anything
For gold, gold, pure gold
I'd bet anything
For gold, gold, gold

Somehow, everyone is the same
Somehow, everyone's the same
Somehow, everyone's the same
And somehow, everyone's the same

It's not right
It's not true
It's not right
It's not true

I'd bet everyone
For I like, like, like
I've met everyone
I don't like, like, like

Cause sometimes, everyone's the same
Oh, sometimes, everyone's the same
Sometimes, everyone's the same
Oh, sometimes, oh, everyone's the same
