

## A Letter

The Easybeats

Ooh, I gotta have a letter (Sha la la la la)  
Just a teeny little letter (Sha la la la la)  
It would make me feel better (Sha la la la la)  
Just a letter from you (Sha la la la la)

Mm, I gotta have some kissin' (Sha la la la la)  
Just a teeny bit of kissin' (Sha la la la la)  
'Cause it's your kissin' that I'm missin' (Sha la la la la)  
And a letter from you (Sha la la la la)

Every mornin' I go wild (Aa-aa-aah)  
To see the mailman by my fence  
When I see there's no mail for me (Aa-aa-aah)  
Oh, it doesn't make sense

Ooh, I gotta have a letter (Sha la la la la)  
Just a teeny little letter (Sha la la la la)  
It would make me feel better (Sha la la la la)  
Just a letter from you (Sha la la la la)

Every mornin' I go wild (Aa-aa-aah)  
To see the mailman by my fence  
When I see there's no mail for me (Aa-aa-aah)  
Oh, it doesn't make sense

Ooh, I gotta have a letter (Sha la la la la)  
Just a teeny little letter (Sha la la la la)  
It would make me feel better (Sha la la la la)  
Mm, a letter from you (Sha la la la la)

Just a letter from you (Sha la la la la)  
Just a letter from you...
