

Bring A Little Lovin

The Easybeats

I know that it's ten
And you're stayin' in
(La la la la la la la la la la)
And you're stayin' home
And I'm all alone
(La la la la la la la la la la) yeah

Wont you, won't you, won't you
Bring a little water
Bring a little wine
Bring a little lovin'
I feel fine
Know that you want to
I know that you do
Come in here and love with me

It's thunder and rain
But it's all the same
(La la la la la la la la la la) yeah
I'm payin' for this call
And I don't mine at all
(La la la la la la la la la la)

Wont you, won't you, won't you
Bring a little water
Bring a little wine
Bring a little lovin'
I feel fine
Know that you want to
I know that you do
Come in here and love with me
Yeah

Wont you, won't you, won't you
Wont you, won't you, won't you
Bring a little water
Bring a little wine
Bring a little lovin'
I feel fine
Know that you want to
I know that you do
Come in here and love with me, huh

Wont you, won't you, won't you
Bring a little water
Bring a little wine
Bring a little water
Bring a little wine

Wont you, won't you, won't you
Bring a little water
Bring a little wine
Wont you, won't you....
