

Can't Take My Eyes Off of You

The Easybeats

You're just too good to be true
Can't take my eyes off a you
You'd be like heaven to touch
I wanna hold you so much

At long last love has arrived
And I thank God I'm alive
You're just too good to be true
Can't take my eyes off a you

Pardon the way that I stare
There's nothing else to compare
The sight of you makes me weak
There are no words left to speak

And if you feel like I feel
Please let me know that it's real
You're just too good to be true
Can't take my eyes off a you

I love you baby
And if it's quite all right
I need you baby
To warm the lonely night
I love you baby
Trust in me when I say

Oh, pretty baby
Don't bring me down I pray

Oh, pretty baby
Now that I found you, stay
Let me love you baby
Let me love you

You're just too good to be true
Can't take my eyes off a you
You'd be like heaven to touch
I wanna hold you so much

At long last love has arrived
And I thank God I'm alive
You're just too good to be true
Can't take my eyes off of you

I love you baby
And if it's quite all right
I need you baby
To warm the lonely night
I love you baby
Trust in me when I say

Oh, pretty baby
Don't bring me down, I pray
Oh, pretty baby
Now that I found you, stay
I love you baby

Trust in me when I say

Oh, pretty baby

Don't bring me down...
