

Dance of the Lovers

The Easybeats

This feeling started today
Started when she walked away

Oh, is it love that I feel?
Just tell me, please, is it real?

Met her last night just by chance (aah)
Held her all through the last dance (aah)

I walked her home to her room (aah)
Meet you tomorrow, at noon (aah)

That came this feeling today (aah)
Say I'm not dreamin', I pray (aah)
'Cause I love her so...

I met her last night just by chance (aah)
Held her all through the last dance (aah)

Then came this feeling today (aah)
Oh, say I'm not dreamin', I pray (aah)
'Cause I love her so...

Aah
