

# Falling Off The Edge Of The World

The Easybeats

The love that was in your smile  
When I married you isn't there now,  
And even the children see  
That you don't look respectable now

Falling off the edge of the world  
Seeing you with him  
If I let you win I die

You dragged out the soul in me  
And you clawed and you twisted it 'round  
But I still feel love for you  
Though my face has been ground to the ground

Falling off the edge of the world  
Seeing you with him  
If I let you win I die

Do you know what it's like to feel  
That nobody wants you  
How can I live out this life without you

Falling off the edge of the world  
Seeing you with him  
If I let you win I die

Falling off the edge of the world  
Falling off the edge of the world  
Falling off the edge of the
