

## For My Woman

The Easybeats

I want you for my woman  
I wanna be your man  
Oh, baby, I want you for my woman  
Oh, I wanna be your man

Well, I love you, woman  
More than any man can

I wanna be your baby  
I wanna be your man  
Oh, baby, I want you for my woman  
Oh, I wanna be your man

Well, I love you, baby  
More than any man can

Come on, Harry, play a tune for me

I want you... for my woman  
I wanna be your man  
Hey, baby, I want you for my woman  
Oh, I wanna be your man

Well, I love you, woman  
More than any man can
