Well, you say you're sorry, and I'll come running to you But I dear have enough pride and I won't give in to you 'Cause I-I Need you to watch over me, I Need you to treat me tenderly, oh Hey girl, will you come back to me now? Well, you say you're sorry, then I'll come running to you Oh, I-I have enough pride and I won't give in to you 'Cause I-I Need you to watch over me, I Need you to treat me tenderly, oh Hey girl, will you come back to me now?
