

## How You Doing Now

The Easybeats

I give you love, presents and things  
And all the good times that true love brings

Sorry that you say goodbye  
Sorry that you make me cry  
For you

How you doing now?  
How you doing now?

I give you lovin' and kissin' and more  
I thought you loved me, I was so sure

Sorry that you say goodbye  
Sorry that you make me cry  
For you

How you doing now?  
How you doing now?

I soon got over you  
I soon found someone new

I give you flowers, presents and rings  
You were content, dear, with those things

Sorry that you say goodbye  
Sorry that you make me cry  
For you

How you doing now?  
How you doing now?  
How you doing now?  
How you doing now?
