

I Can See

The Easybeats

I can see
I can see
I can see

By the look in your eyes
That you know
You're the one
I love so

But now
Is it true
When you say
I love you?

I can see
I can see
I can see

By the smile in your face
You're sincere
Say you stay
Always here

But now
Is it true
When you say
I love you?

'Cause you seem so real
Let me know how you feel
But how our love can stay
If tomorrow gone today?

I can see
I can see
I can see

By the way that you feel
That you know
My love's real
The truth will show

But now
Is it true
When you say
I love you?

I can see
I can see
I can see
I can see
I can see
