

I Cant Stand It

The Easybeats

Well it's a doggone shame, the way you gave me pain
Ooh babe, I can't stand it
Through all this misery, your love won't let me be
Ooh babe, I can't stand it
I'm like the dog without a bone, there's not a time in my home
yeah
Ooh babe, I can't stand it

Why don't you come back to me, or set me free
Come on, come on, come on, come on baby let me be
Oh I don't make up the past, and understand yeah
Come on, come on, come on, come on baby let me be
Come on, come on, come on, come on baby set me free

Ooh, ooh, ooh, I can't stand it
Ooh, ooh, ooh, I can't stand it

Through all this misery, your love won't let me be
Ooh babe, I can't stand it
And in everything I can't find my way
Ooh babe, I can't stand it
And everywhere that I go, well there is no one I know yeah
Ooh babe, I can't stand it

And everything that I do, is going wrong
Come on, come on, come on, come on baby let me be
You don't give me the time, to make up your mind
Come on, come on, come on, come on baby let me be
Come on, come on, come on, come on baby set me free
