

I Don't Agree

The Easybeats

I don't agree with what you say or what you do
But how can I, I try
All I really wanna tell ya
That I
All I really wanna do

I don't agree with what you say or what you do
But how can I, I try
All I really want to tell ya
That I
All I really wanna do

Is say I love ya, in the morning
Love you late at night
Love you in the morning
Squeeze and hold you tight

I don't agree with what you say or what you do
But how can I, I try
All I really wanna tell ya
That I
All I really wanna do

Is say I love ya in the morning
Love you late at night
Love you in the morning
Love you late at night
I love you in the morning, love you late at night
