

# I Love Marie

The Easybeats

When I was young but so high  
I love Marie  
I was a prince and she my princess  
Mm, I love Marie

And when she cried I tried to ease the tears away  
So many times I can't remember

And always I know, tomorrow knows the same  
That I love Marie

Arm in arm we'd go walking  
I love Marie  
Everyone would know by looking in my eyes  
I love Marie

They'd say how good we looked when we were side by side  
Though I agree, I did not answer

And always I know, tomorrow knows the same

That I... lo-o-ve Marie

The other day I saw walking  
I love Marie  
She didn't recognize me, couldn't place my face  
I love Marie

Now all my friends keep saying she's the not-know good  
They say that I should just forget her

But I always I know, tomorrow knows the same  
That I... lo-o-o-ove... Marie  
I... I'd still love her... Marie

O-o-h, yeah, yeah  
Oh, she know I love Marie  
And though she's the not-know good  
Oh, she knows I love Marie  
Da na na na...
