

I'm a Madman

The Easybeats

Boy, you've got one girl
One girl for you
I know you love her
And that she loves you

Well, I know that your girl
Won't be untrue
And I know that your girl
Would die for you
Yeah, yeah, yeah, yeah, yeah...

Well, me I got no girl
No, no girl for me
I wonder why, girl
How can this be?

Mm, I've got more money
Than any man you show
I'm more handsome
Than any man I know, oh
Yeah, yeah, yeah, yeah, yeah... yeah

You're a madman, madman, madman
I don't know why
They call me a madman, madman, madman, oh
Makes me wanna cry

Well, here come the doctors
Yeah, yeah they gonna take me away
Oh, here come the nurses
Ooh, yeah, I wanna stay, ah!

Ah, don't take me, no
I don't wanna go, no
I'm not mad, no
Don't take me, hahaha
I'm not mad
Get off, don't take me
No, haha, I'm not mad, ha-haha
No, really, haha, I'm not mad
Hahaha
