

I'm Gonna Tell Everybody

The Easybeats

I'm gonna tell everybody about ya
You can't get away with a thing like that
I'm gonna tell everybody about ya
Maybe you think people are fools

They say a man's home is his castle
I used to think I was through
They say a man's home is his castle
But I can't go on without you

I'm gonna tell everybody about ya
You can't get away with a thing like that
I'm gonna tell everybody about ya
Maybe you think people are fools

Give me diamonds, give me pearls
Sell a stack with gold
But I don't care who you might love anymore

I'm gonna tell everybody about ya
You can't get away with a thing like that
I'm gonna tell everybody about ya
Maybe you think people are fools

Give me diamonds, give me pearls
Sell a stack with gold
But I don't care who you might love anymore

I'm gonna tell everybody about ya
You can't get away with a thing like that
I'm gonna tell everybody about ya
Maybe you think people are fools

I'm gonna tell everybody about ya
Tell everybody about ya
Tell everybody about ya
Tell everybody about ya...
