

Little Queenie

The Easybeats

I got lumps in my throat
When I saw her walkin' down the aisle
I got the wiggles in my knees
When she looked at me and sweetly smiled
There she is again
Standin' over by the record machine
Lookin' like a model from the cover of a magazine
She's too cute to be a minute over seventeen

Meanwhile, I was thinking
She's in the mood, no need to break it
I got a chance, I oughta take it
If she'll dance, we'll make it
Come on queenie, let's shake it

Go, go, go, little queenie
Go, go, go, little queenie
Go, go, go, little queenie

Tell me, who's the queenie standing over by the record machine
Lookin' like a model from the cover of a magazine
She's too cute to be a minute over seventeen

Meanwhile, I was still thinkin'
She's in the mood, no need to break it
I got a chance, I oughta take it
If she'll dance, we'll make it
Come on queenie, let's shake it

Go, go, go, little queenie
Go, go, go, little queenie
Go, go, go, little queenie
Go, go, go
Go, go, go, little queenie
Go, go, go, little queenie, go
