

# Mean Old Lovin'

The Easybeats

She don't understand  
Mean old lovin'  
I'm just a lonely man  
Mean old lovin'

You'd never realize how much you mean  
But mean old lovin' let me be

I'm just a lonely man  
Mean old lovin'  
I'm just an only man  
Mean old lovin'

You'd never realize how much you mean  
But mean old lovin' set me free

You just don't realize the sorrow I see  
But mean old lovin' let me be (Yeah)  
Be (Yeah)  
Be

I'll never understand  
Mean old lovin'  
I'm just a lonely man  
Mean old lovin'

You wouldn't realize how much you mean  
But mean old lovin' let me be

You just don't realize the sorrow I see  
But mean old lovin' let me be (Yeah)  
Be (Yeah)  
Be (Yeah)

Lovin' man  
Mean old lovin'  
I'm just a lonely man  
Mean old lovin'

You'd never realize how much you mean  
But mean old lovin' let me be
