

My My My

The Easybeats

I'm feelin' kind of trouble
Things buzzin' in my head
Tryin' to talk to my little girl
Turns away instead

My my my (A-ha ha ha ha)
My my my (A-ha ha ha ha)

When I got up this morning
The water felt so cold (brrr)
Put my boots on wrong way round
I think I'm gettin' old

My my my (Aha ha ha ha)
My my my (Aha ha ha ha)

Winter work all Sunday mornin'
Nobody there but me (Ha ha haaa-aaa-aaa)
My day just got wrong here
It's just plain to see

Oh-hahaha

I'm feelin' kind of trouble (Yeah)
Thing buzzin' in my head
Tryin' to talk to my little girl
Turns away instead

My my my (Aha ha ha ha)
My my my (Aha ha ha ha)

My my my (Aha ha ha ha)
My my my (Aha ha ha ha)
My my my (Aha ha ha ha)
My my my (Aha ha ha ha)
My my my (Aha ha ha ha)
My my my (Aha ha ha ha)
