

Remember Sam

The Easybeats

Remember Sam
You took his hand
You took his hand instead of mine

Remember Mike, huh
A guy I like
You took inside instead of me

But when I get around to ask you
You turn around you smile and say
You say

Little man, d'you understand
I'd really like, to but I'm busy

Call me any Monday
Busy every Tuesday
Maybe on a Friday
No

But now I see
You're foolin' me
You only want, someone with money

So little girl
I've had my fill
So if you want me you can call me

Call me any Monday
Busy every Tuesday
Maybe on a Friday
No
