

# Rock N Roll Boogie

The Easybeats

Listen rockerfella and I'll make you smile  
'Cause the rock'n'roll boogie is now back in style  
Yes, it's rollin' on  
Keep on rollin' on

People in the city are hung on the sound  
Of the rock'n'roll music they called underground  
Yes, it's rollin' on  
Keep on rollin' on

Last night the wife was dancin' in the street for so long  
Diggin' everything the only way that she know-oh's

Oh, one potata two for three potata four  
Jerry Lee is gonna come knocking on your door  
Yes, it's rollin' on  
Keep on rollin' on

Keep on rollin' on  
Keep on rollin' on

Last night the wife was dancin' in the street for so long  
Diggin' everything the only way that she know-oh's

Oh, reelin' and a rockin' we danced all the while  
With a long tall Sally spittin' great balls of fire  
Yes, rollin' on  
Keep on rollin' on

Oh, everybody's having a good time tonight  
With a rock'n'roll music we'll be alright  
Yes, it's rollin' on  
Keep on rollin' on

All the new rockers are doing fine  
With a Mr Wilson Pickett the latest in the line  
Yes, he's rollin' on  
A keep on rollin' on  
Keep on rollin' on  
Keep on rollin'
