

She Said Alright

The Easybeats

Ah, ah, ah, a-ah-ah
Ah, ah, ah, a-ah-ah

She said alright
Talkin' on the telephone
Yeah, that's right
I'm comin' over on my own

I'll hold her tight
I'll never let her be alone
She said alright
I'm comin' over to your home, uu, uu, uu

Ah, ah, ah, a-ah-ah
Ah, ah, ah, a-ah-ah

She said alright
She's really gonna be all mine
Yeah, that's right
Now until the end of time

I'll hold her tight
Now that she's so very own
She said alright
Wait until she gets to my home, uu, uu, uu

Ah, ah, ah, a-ah-ah
Ah, ah, ah, a-ah-ah

She said alright
Talkin' on the telephone
Yeah, that's right
I'm comin' over on my own

I'll hold her tight
I'll never let her be alone
She said alright
I'm comin' over to your home, uu, uu, uu
