

Shes So Fine

The Easybeats

I woke up bright and early this mornin'
My little girl was not in sight
I been lookin' everywhere
Mornin' noon and daylight

'Cause she's so fine
She's so fine
Well, she's so fine
Oh, she's so fine you know I wish she was mine

I've got somethin' to tell her
And maybe she'll listen maybe not
But I loved that woman like never before
'Cause all my love she's got

Well, she's so fine
She's so fine
Well, she's so fine
Woah-ho, she's so fine you know I wish she was mine, ah c'mon
Harry

One
Two
Three
Six, sorry Harry

Well, she's so fine
She's so fine
Well, she's so fine
Oh-oh, she's so fine you know I wish she was mine, ah c'mon
Oh yeah, a c'mon-on

Well, she's so fine
She's so fine
Yeah, she's so fine
Oh, she's so fine you know I wish she was mine, I want more
Hey, let's go, I want more

Mmm yeah, she's so fine
She's so fine
A well she's so fine
Oh, she's so fine you know I wish she was mine
And that's all
