

## Someway, Somewhere

The Easybeats

Someway, somewhere  
Anyway I choose  
I know I'll find another girl

Maybe there, maybe then  
Maybe now I'll choose  
I know I'll find another girl

Well, I can look in your eyes so bright  
Tell me why can't I see you tonight?

Someday, somenight  
Anyhow I'll choose  
I know I'll find another girl

I want, baby!  
Yippie!

Well, I can look in your eyes so bright  
Tell me why can't I see you tonight?

Someday, somenight  
Anyhow I'll choose  
I know I'll find another girl

Yeah, another girl  
Hey!  
Oh, yeah, another girl
