

The Old Oak Tree

The Easybeats

Hey!

Well, if you want a love that's oh so true
Then my love should do for you

Well, just come lookin' 'round for me
You'll find me sittin' by an old oak tree
Well, come, oh yeah, well, come, uh-huh
Just come lookin' by an old oak tree

Well, if you want a love that wouldn't die
I wouldn't cheat or tell a lie

Well, just come lookin' 'round for me
You'll find me sittin' by an old oak tree
Well, come, uh-huh, well, come, uh-huh
Just come lookin' by an old oak tree

All yours, Harry

Mmmhm

I love the way you play your pretty guitar
Ooh

To end my story, I'm tellin' you, dear
With my love you have no fear

Just come lookin' 'round for me
You'll find me sittin' by an old oak tree
Well, come, oh-oh, well, come, uhh
Just come lookin' by an old oak tree

Once more, Harry

Oh!

Yeah, Harry

Ooh

Oh, oh, oh, oh

To end my story, I'm tellin' you, dear
With my love you have no fear

Just come lookin' 'round for me
Ooh, you'll find me sittin' by an old oak tree
Well, come, oh, yeah, well, come, uh-huh
Just come lookin' by an old oak tree

Brrr, by the old oak tree
Sittin' by that river there
Mm, yeah, that's right
