

## Tryin' so Hard

The Easybeats

Gonna tell you something now, listen to me  
Tryin' so hard, just makin' you see  
Woman, these days you're gonna take my hand

Tryin' hard to find a way, baby  
Baby, hold me, hold me  
Ah, baby, baby  
Tryin' hard to find a way again  
Alright!

Kissin' and a huggin' for the boy next door  
He don't even know what lips are for  
Tryin' so hard for a long time

Tryin' so hard to have you back again  
Baby, hold me, yeah, hold me  
Baby, yeah, baby  
Tryin' so hard to have you back again

Alright  
Yeah  
Alright

Oh, baby, baby  
Hold me, hold me  
Yeah, baby, I said baby  
Tryin' hard to have you back again

Alright!  
Yeah, I said, "Baby you better come back"  
Oh, come back again  
Come back again  
Oh, again

Oh, yeah, again  
Come back, come back again  
I said come back again  
Oh, come back again  
Yeah, yeah
