

# Where Did You Go Last Night

The Easybeats

How so innocently  
You maintain that you love me  
My love's on stand by  
Standing by, patiently waiting till truth from you comes through

Where did you go last night, baby, baby?  
Who were you with last night?  
(Come on, come on, come on, come on, come on)  
Where did you go last night, baby, baby?  
Aaa, aaa, aaa, aa-a  
Aa-a-a-a  
Aaaa

How your eyes' innocence  
Before us spill indifference  
My mind's in sorrow, still I could take that you ruined your care for  
love, not there

Where did you go last night, baby, baby?  
Who were you with last night?  
(Come on, come on, come on, come on, come on)  
Where did you go last night, baby, baby?  
Aaa, aaa, aaa, aa-a  
Aa-a-a-a  
Aaaa...

Where did you go last night...?

Where did you go last night, baby, baby?  
Who were you with last night?  
(Come on, come on, come on, come on, come on)  
(Whoa!)  
Where did you go last night, baby, baby?  
Aaa, aaa, aaa, aa-a  
Aa-a-a-a  
Aaaa

Where did you go last night, baby, baby?  
(Aah, baby!)  
Who were you with last night?  
(Whoa!)  
Where did you go last night, baby, baby?  
Who were you with last night?  
(Whoa!)  
Aaa, aaa, aaa, aa-a  
Aa-a-a-a  
Aaaaaa
