

You Got It Off Me

The Easybeats

Well, everything you want babe
You got it off me
Well, everything you want babe
You got it off me

Well, everything you want babe
You got it off me
Well, everything you want babe
You got it off me

Oh, diamond rings are perfect
You got 'em off me
Oh, diamond rings are perfect
You got 'em off me

Oh, diamond rings are perfect
You got 'em off me
Well, everything you want babe
You got it off me

Easy!

More your lovin' kisses
You got 'em off me
Mm, more your lovin' kisses
You got 'em off me

Mm, more your lovin' kisses
You got 'em off me
Well, everything you want babe
You got it off me

Oh, you got it off me
Well, you got it off me
Mm, you got it off me
Oh, you got it off me
Well, you got it off me...
