You Me, We Love

The Easybeats

There was an old man who lived by the sea
Who said son you've fallen in love
He could tell by the way I sang everyday
And he knew I'd fallen in love
Fallen in love
Fallen in love
Fallen in love

You
Me
We
Love

But if he knew
Of the life I go through
Feeling pain, losing sleep
For wantin' you

He would take me aside
Say son where's your pride
But then I close my eyes
And I see you
And I see you

You
Me
We
Love

You make me sigh
With that look in your eye
Just the move of your hand
Makes me feel so high
But you play I obey
I should leave go my way
But then I close my eyes
And I see you
And I see you

There was an old man who lived by the sea
Who said son you've fallen in love
He could tell by the way I sang everyday
And he knew I'd fallen in love
Fallen in love
Fallen in love
Fallen in love

You
Me
We
Love

You
Me
We
Love
