

## Beautiful Rainbow

The Elected

My love, she is a rainbow  
she moves from east to west  
my love, she is the wind blowing  
through my heart in my chest  
and she's the sun, the afternoon  
I've seen her shining the whole day through  
and you know, something just changes  
when you see a rainbow

her smile, it is the ocean  
crashing on my eyes  
her arms, they are the oak trees  
and she's reaching for the sky  
and she's the lake under the moon  
I've seen her twinkling the whole night through  
and you know, something must be changing  
cause I've seen a rainbow

and I'd burn my old house down  
I'd get tattooed  
I'd do whatever I had to do  
and if the sky filled up with clouds of doom  
and the whole world was ending soon  
well, I just couldn't get scared  
cause I'd have my rainbow  
and I'd see her shining right through

look, there goes my rainbow
