

Start Again

The Electric Soft Parade

Steal what you need, and leave the rest for me
So steal what you need, and leave the rest for me
You never took the time, to look at what you've got
And all the times you fell, I was there to pick you up
You're never far away, from what you want to be

I've found it's harder to reach the end
Now I'm trying to start again
Can't you see that it's incomplete?
Now I'm taking the things that you need

I've found it's harder to reach the end
Now I'm trying to start again
Is it something I said before?
Can't you tell us apart anymore?
