

Gimme the Sign

The Enemy

He's walking like a penguin
All zipped up tight
He thinks that he's a hard man
But he's got nothin to back it up

It's a lie
Which exists
Only in his -
Mind - gimme the sign
And he's only moving slowly
Cos it's moving so much faster in your

Mind - gimme the sign
And he's only moving slowly
Cos it's moving so much faster in your mind
Someone please stop him talking
Before he breaks into a rhyme

He's acting like he's tupac
But he's never even seen a gun
It's a lie
Which exists
Only in his -

Mind - gimme the sign
And he's only moving slowly
Cos it's moving so much faster in your
Mind - gimme the sign
And he's only moving slowly

Cos it's moving so much faster in you mind
Well you can press more buttons than a sky remote
But sing a tune and I bet you'll choke
Step outside cos we're coming through

We've got no time for this or you
It's - time -
To give me the sign
And he's only moving slowly

Cos it's moving so much faster in your
Mind - gimme the sign
And he's only moving slowly
Cos it's moving so much faster in your mind!
