

It's a Race

The Enemy

The money makers rule the world
If you want a piece then give it a whirl
Cause I'm gonna try and try and try
I wanna live before I die

It's a race
It's a race!

Give me some fire for my soul
My belly's burning out of control
I'm gonna fight before I die
I don't wanna live an empty life

It's a waste
It's a waste!

There's a truth in what I know
When I don't know where I go
Caught forever that [?]
I'm going to give my life some worth

It's a race
It's a race!

Give me some fire for my soul
My belly's burning out of control
I'm gonna fight before I die
I don't wanna live an empty life
Too many places I wanna see
Too many things I wanna be
The Wall of China and the Pyramids
It's my time and I wanna live

It's a race
It's a race!

Give me some fire for my soul
My belly's burning out of control
I'm gonna fight before I die
I don't wanna live an empty life
Give me some fire for my soul
My belly's burning out of control
I'm gonna fight before I die
Cause I don't wanna live an empty life

It's a race
It's a race!
It's a race
It's a race!
