

## Another Sad And Lonely Night

The Equals

I said, giddy up, giddy up a Ding Dong  
Giddy up, giddy up a Ding Dong  
Giddy up, giddy up a Ding Dong  
Giddy up, giddy up a Ding Dong  
Giddy up, giddy up a Ding Dong  
Giddy up, giddy up, giddy up

Well now, I went ridin' the other night  
I picked out a horse, oh, my what a sight  
The name of my horse was a Ding Dong  
While I was ridin' I was singin' a song

I said, giddy up, giddy up a Ding Dong  
Giddy up, giddy up a Ding Dong  
Giddy up, giddy up a Ding Dong  
Giddy up, giddy up, giddy up

We rode and we rode the whole night through  
The horse was tired and I was too  
I had a date with my girl at eight  
Come on Ding Dong, we can't be late

I said, giddy up, giddy up a Ding Dong  
Giddy up, giddy up a Ding Dong  
Giddy up, giddy up a Ding Dong  
Giddy up, giddy up, giddy up

Easy now, easy

Got to her house and I got down  
There was the toughest guy in town  
If I went in, he might use force  
I mounted up again and I said to my horse

Giddy up, giddy up a Ding Dong  
Giddy up, giddy up a Ding Dong  
Giddy up, giddy up a Ding Dong  
Giddy up, giddy up a Ding Dong  
Giddy up, giddy up a Ding Dong  
Giddy up, a Ding Dong

Come on horse, let's roll along
