

# Cinderella

## The Equals

Dusting away every day  
All work and no play and getting no pay  
Hoping and praying that he will take her away

Cinderella, Cinderella, come out to play  
Cinderella, Cinderella, it's a lovely day

The sun is shining but the cleaning I must do  
I must always do what grandmother says  
The children are calling every day

Cinderella, Cinderella, come out to play  
Cinderella, Cinderella, it's a lovely day

Cinderella, Cinderella, come out to play  
Cinderella, Cinderella, it's a lovely day

Dusting away every day  
All work and no play and getting no pay  
Hoping and praying that he will take her away

Cinderella, Cinderella, come out to play  
Cinderella, Cinderella, it's a lovely day

Cinderella, Cinderella, come out to play  
Cinderella, Cinderella, it's a lovely day

Cinderella, Cinderella, come out to play...
