

# Diversion

The Equals

I had a slight diversion  
But I'm back, I'm back, I'm back, I'm back  
I had a slight diversion  
But I'm back, I'm back, I'm back, I'm back  
I used to say I loved you  
Yeah, yeah, yeah  
I took a diversion, a diversion, a diversion  
To bring my love back to you  
Now, now, now, now

Oh, I hear that all the boys are treating you bad  
And I hear that Sexy Red is all you got  
But I'd take a bet with you that he never told you that I went to jail for you  
Now, now, now, now

I had a slight diversion  
But I'm back, I'm back, I'm back, I'm back  
I had a slight diversion  
But I'm back, I'm back, I'm back, I'm back  
I used to say I loved you  
But yeah, yeah, yeah  
I took a diversion, a diversion, a diversion  
To bring my love back to you  
Now, now, now, now

Remember how you laughed into my face  
Do you remember them, the ones who took my place?  
Well I'm lying there with you  
And I'm trying hard to view  
To think that I, I spent some time for you  
Oh, Lord!

I had a slight diversion  
But I'm back, I'm back, I'm back, I'm back  
I had a slight diversion  
But I'm back, I'm back, I'm back, I'm back  
I used to say I loved you  
But yeah, yeah, yeah  
I had a diversion, a diversion, a diversion  
To bring my love back to you  
Now, now, now, now  
I had a slight diversion  
But I'm back, I'm back, I'm back, I'm back  
I had a slight diversion  
But I'm back, I'm back, I'm back, I'm back  
I used to say I loved you  
But yeah, yeah, yeah  
I had a diversion, a diversion, a diversion  
To bring my love back to you  
Now, now, now, now
