

Fire

The Equals

Every time you kiss me baby, fire burning inside, mm
Every time you squeeze me yeah, fire burning inside
Oh yes, I see it's burning (Burning), burning (Burning)
Burning (Burning), burning (Burning)
Oh yes, yes it's burning in me

Every time you hold me, baby, yeah, fire burning inside, mm
Every time you touch me, yeah, a fire burning inside
Oh yes, I see it's burning (Burning), burning (Burning)
Burning (Burning), burning (Burning)
Oh yes, yes it's burning in me

Know you are my one desire
Keep on setting my soul on fire
I know it's not my imagination
I keep on getting these a-burning sensations

Every time you hold me baby, yeah, fire burning inside, mm
Every time you squeeze me yeah, yeah fire burning inside
Oh yes, I see it's burning (Burning), burning (Burning)
Burning (Burning), burning (Burning)
Oh yes, yes it's burning in me

Know you are my one desire
Keep on setting my soul on fire
Know it's not my imagination
I keep on getting these a-burning sensations

Every time you hold me baby, yeah fire burning inside, oh yes,
now
Every time you squeeze me yeah, yeah fire burning inside
Oh yes, I see it's burning (Burning), burning (Burning)
Burning (Burning), burning (Burning)
Oh yeah, yes it's burning in me
Oh yes, now, yes it's burning in me
Mm, yes is burning in me
Oh yeah, oh yeah, oh yeah, oh yeah
