

Green Light

The Equals

Green light says go
Red light says no
Hold tight, here it goes
My baby knows

Gotta catch a green light, yeah, yeah, yeah (Come on)
Gotta catch a green light, yeah, yeah, yeah

I love my Jane
She's sweet as rain
The sun don't shine
Her green light's mine

Gotta catch a green light, yeah, yeah, yeah (Come on)
Gotta catch a green light, yeah, yeah, yeah

La-la, la-la
La-la, la-la
La-la, la-la
La-la, la-la

Gotta catch a green light, yeah, yeah, yeah (Come on)
Gotta catch a green light, yeah, yeah, yeah

She's high, she's low (Low)
Hold tight (Tight), love grows (Love grows)
Red light says no
She comes and goes

Gotta catch a green light, yeah, yeah, yeah (Come on)
Gotta catch a green light, yeah, yeah, yeah

Green light says go (Go)
Green light says go (Go)

Oh, I gotta catch a green light (Gotta catch a green light)
