

# Help Me Simone

The Equals

Mr. McIntyre's got his old house up for sale  
I heard the local council's gonna put a new one there  
So all through the winter we can spend some time up there  
Mend the broken windows and create some atmosphere

I want you to help me out Simone, Simone  
Help me out Simone, Simone  
Help me out Simone, Simone  
Won't you buy a baby for me

Mackey down the mile end road's just bought a baby new  
And she says for five bob, you can buy a baby too  
Don't know the mechanics, don't know what I have to do  
Mackey says that I must leave everything up to you

I want you to help me out Simone, Simone  
Help me out Simone, Simone  
Help me out Simone, Simone  
Won't you buy a baby for me

Simone, you are the kind of girl I can love and love  
Simone, you are the kind of girl I just got to have

La la la la la, la la la la la, la la la  
La la la la la, la la, la la la la la la  
La la la la la, la la la la la la, la la la  
La la la la la, la la, la la la la la la

I want you to help me out Simone, Simone  
Help me out Simone, Simone  
Help me out Simone, Simone  
Won't you buy a baby for me

I want you to help me out Simone, Simone  
Help me out Simone, Simone  
Help me out Simone, Simone  
Won't you buy a baby for me

I want you to help me out Simone, Simone  
Help me out Simone, Simone  
Help me out Simone, Simone  
Won't you buy a baby for me...
