

I Get So Excited

The Equals

When I see you walking along
All alone, all alone
When I think I'm holding your hand
All alone, all alone

I get so excited
I get so excited
I get so excited
Gonna tell ya

Baby, baby, hold me (Baby, baby)
Baby, baby, hold me (Baby, baby)
Baby, baby, hold me (Baby, baby)
Baby, baby, hold me

I get so excited
I get so excited
I get so excited
Gonna tell ya

Baby, baby, hold me (Baby, baby), feel good now
Baby, baby, hold me (Baby, baby) closer
Baby, baby, hold me (Baby, baby) closer
Baby, baby, hold me

When I feel your love comin' on, sweet love
Comin' on, comin' on
When I need somebody to love
Yes, to love, yes, to love

I get so excited
I get so excited
I get so excited
Gonna tell ya

Baby, baby, hold me (Baby, baby), feel good
Baby, baby, hold me (Baby, baby), feel good
Baby, baby, hold me (Baby, baby) closer
Baby, baby, hold me

I get so excited
I get so excited
I get so excited (Baby)
I get so excited

I get so excited
I get so excited
I get so excited
So excited
So excited

So excited
