

# Is It Right

The Equals

Is it right that a woman should treat a man this way, baby  
Is it right that people should say the things they say, baby  
Is it right when your mother say you can't go out today, baby  
That you cry at the thought of what your mother had to say, baby, oh

You know your mind, and there ain't no use in crying, baby  
You know I'm trying to do the best things for you, so tell me

Is it right when I walk you home, you run inside and hide, baby  
Is it right that someone else will take you home tomorrow night, baby, no

You know your mind, and there ain't no use in crying, baby  
You know I'm trying to do the best things for you, so tell me

You know your mind, and there ain't no use in crying, baby  
You know I'm trying to do the best things for you, so tell me

Is it right when I walk you home, you run inside and hide, baby  
Is it right that someone else will take you home tomorrow night, baby, no

You know your mind, and there ain't no use in crying, baby  
You know I'm trying, Lord, to do the best things for you, so tell me

Is it right, baby, Lord  
Is it right, I said I gotta know, I gotta know, I gotta know, I gotta know, babe  
Is it right, want somebody somebody tell me, oh  
Is it right...
