

Teardrops

The Equals

Teardrops, teardrops
Falling from your eyes, falling from your eyes
Teardrops, teardrops
Falling from your eyes, falling from your eyes
Teardrops, teardrops
Falling from your eyes, falling from your eyes

I can hear these teardrops falling
Like a river, like a river

Please stop, please stop
Teardrops falling down, teardrops falling down
Don't cry, don't cry
Baby, don't you cry, baby, don't you cry

I can see the teardrops falling
Like a river, like a river

Teardrops, teardrops
Falling from your eyes, falling from your eyes
Teardrops, teardrops
Falling from your eyes, falling from your eyes

I can understand these teardrops
Like a river, like a river

Teardrops, teardrops
Falling from your eyes, falling from your eyes
Teardrops, teardrops
Falling from your eyes, falling from your eyes
Falling from your eyes
