

Viva Bobby Joe

The Equals

Bobby Joe, viva, Bobby Joe
Bobby Joe, viva, Bobby Joe
Viva, viva
Viva, Bobby Joe, viva

Bobby Joe and his funk machine, yeah, yeah
Everybody's gonna see a sensation, a sensation
A sensation, hear what I say now

Bobby Joe and his funk machine, yeah, yeah
Everybody's gonna see a sensation, a sensation
I'm gonna tell it to the nation, hear what I say now

Liverpool to Brighton, baby
In next to no time, baby
Bobby Joe is coming here today, yeah

Coming back for the first time, baby
Since he made the big time, baby
Bobby's gonna do an open-air show for free

Bobby Joe, viva, Bobby Joe
Bobby Joe, viva, Bobby Joe
Viva, viva
Viva, Bobby Joe, viva

I remember on his debut
All the town's people they boo-booed
Now today they want to shake his hands

Bobby Joe and his funk machine, yeah, yeah
Everybody's gonna see a sensation, a sensation
A sensation, hear what I say now

Bobby Joe and his funk machine, yeah, yeah
Everybody's gonna see a sensation, a sensation
I'm gonna tell it to the nation, hear what I say now

Bobby Joe, viva, Bobby Joe
Bobby Joe, viva, Bobby Joe
Viva, viva
Viva, Bobby Joe, viva
