### The Ergs!

Today...is the first day of the rest of your life  
and I.... I'm wishing I was there  
but you're probably thinkin'  
You know...I bet you don't even know what day it is  
And yeah....That's something I deserve

Because for the last year or so  
I haven't said a word  
And when you made your plea  
I looked the other way  
But I tell you it was bullshit  
And I'm wishing that you knew  
That you're my only everything  
And I swear to you that it's true

And I wish that I was there...

Today... is your ultra-mega, super-special day  
And yeah...I'm wishing I was there  
But you're probably thinkin'  
You Know...you'd better not miss the last train to Loserville  
And Yeah...You know, that's something I deserve

Because for the last year or so  
I haven't said a word  
And when you made your plea  
I looked the other way  
But I tell you it was bullshit  
And I'm wishing that you knew  
That you're my only everything  
And I swear to you that it's true

And I wish that I was there...
