The Ergs!

See I wrote this letter I hope you got it
See I threw the ball I hope you caught it
See I wrote this little book on loneliness
I hope you Bought a Copy
See I sailed the ship I hope you boarded
And I sank this love affair you thwarted
See I wrote this little book on happiness
You'll find it in the fiction section
See I wrote this letter I hope you got it
See I threw the ball I hope you caught it
See I wrote this little book on loneliness...
