

## Emotional Terrorist

The Escape Club

You ripped my heart and you stole my name  
You took my word and you made it a game  
Uh-oh, uh-oh, emotional terrorist  
I paid the price and it's called desire  
We ain't fighting fire with fire  
Uh-oh, uh-oh, emotional terrorist  
Uh-oh, uh-oh, emotional terrorist

You burn it all and I wind up with nothing  
How 'bout giving me, giving me, give me something?  
Uh-oh, uh-oh, emotional terrorist  
You took my home and you stole my thunder  
I'll still be mad when I'm six feet under  
Uh-oh, uh-oh, emotional terrorist  
Uh-oh, uh-oh, emotional terrorist

Are you gunning for me?  
Are you faking for me?  
Well, I can see  
So let the bunny boil

You cracked my heart and you stole my name  
I have to fight you again and again and again  
Uh-oh, uh-oh, emotional terrorist  
Uh-oh, uh-oh, emotional terrorist

(Uh-oh, uh-oh)  
(Uh-oh, uh-oh) Emotional terrorist  
(Uh-oh, uh-oh)  
(Uh-oh, uh-oh)
