

# I'll Be There (The Sequel)

The Escape Club

Over mountains  
Over trees  
Over oceans  
Over seas  
Across the desert  
I'll be there

In a whisper on the wind  
On the smile of a new friend  
Just think of me  
And I'll be there

Don't be afraid, oh my love  
I'll be watching you from above  
And I'd give all the world tonight  
To be with you  
Because I'm on your side  
And I still care  
I may have died  
But I've gone nowhere

Just think of me  
And I'll be there

On the edge of a waking dream  
Over rivers  
Over streams  
Through wind and rain  
I'll be there

Across the wide and open sky  
Thousands of miles I'd fly  
To be with you  
I'll be there

Don't be afraid, oh my love  
I'll be watching you from above  
And I'd give all the world tonight  
To be with you  
Because I'm on your side  
And I still care  
I may have died  
But I've gone nowhere

Just think of me  
And I'll be there

In the breath of a wind that sighs  
Oh, there's no need to cry

Just think of me  
And I'll be there
