Sin City

The Essex Green

Sin city
Please don't take
My lover's heart, for mine will break
It's no Pittsburg
Please don't go
Ohio

You can take a tug there, oh, take a train Either way, I ain't going It's no Pittsburg Don't you go Ohio

And I could see her lying in the valley Down below
I could smell the green of those hills
Those Kentucky hills

So take a tug there, oh, take a train Either way, I ain't going It's no Pittsburg Please don't go Ohio

Ohio...
