

## Love Is Strange

The Everly Brothers

Lo-ove  
Love is strange, yeah-eah-yeah  
Lots of people  
Take it for a pain  
Once you've got it  
You never wanna quit, no-oh-no  
After you've had it  
You're in an awful fit

Love is strange  
Love is strange

Hey, Don!  
What, Phil?  
How would you call your baby home?  
Well, if I needed her real bad  
I guess I would call her like this

Baby  
Oh sweet baby  
My sweet baby  
Please come home

Yeah, that ought to bring her home, Don!

People  
Don't understand, oh-oh-no  
They think love is  
Money in the hand  
Your sweet lovin'  
Is better than a kiss, yeah-eah-yeah  
When you left me  
Sweet kisses I miss

Love is strange
